Randolph Municipal Building  
7 Summer Street  
April 19, 2011  
1:00 PM

- 1) Minutes from last meeting  
Accepted 3-0
- 2) Public Comment  
No other citizens present.
- 3) Operations status  
Pat reported that work is going well but very busy with paperwork
- 4) Tax maps status  
The person doing the tax maps for Sewell had to attend to illness in family and has not been able to complete the maps and send the completed maps back to us.
- 5) New Values  
We talked about six properties that needs or has had appraisal work done by Pat and Don. Other properties will be appraised in the next 60 days.
- 6) Grand List Schedule  
After evaluation of the work yet to be done, unless something unexpected happens we will request the Select board to extend the submittal of the Grand List to July 22, 2011. We will take another look at the work load by May 10. With the Randolph population, as reported by the U.S. Census, going below 5000, we need to submit the "Abstract" to the state a 20 days earlier.
- 7) Any other business  
Washington Electric and CVPS property values (such as poles and transformers), as determined by the state, have increased by about \$500,000.  
Pat and Don will be attending the TOEC conference and training in Rutland on April 27, 2011
- 8) Next Meeting?      May 17, 2011 @ 1:00PM
