

Randolph Community Recreation Advisory Committee  
Meeting Minutes from October 20, 2014

Committee members present: Tom Schersten and Kate Sigurdson

Public Present: Ian Sears, Avery Sears, and Morgan Easton

The meeting began at 7:00 pm.

Discussion was centered on plans for the Ice Rink:

- staffing: looking for a manager, several staff applications received
- schedule: What's the weekly schedule going to look like?
  - planning for special events regularly
- policies:

Park Street Playground plans: have local funds and a grant, but looking for local donors with a goal of \$15,000 more

Kate shared plans for Halloween, including participation of businesses between 4 pm and 6pm. Chandler and the High School also have programs planned.

Kate will propose to the Selectboard that the Branchwood property be used for a Randolph skate park, so the grant process can commence.

Kate is applying for grants to bring the Arts Bus into our summer programming next year.

We're having difficulty with break-ins at the ice rink and playground pavilion, but "No Trespassing" signs are being put up, so the police can act.

The next meeting date was not set.

The meeting adjourned at 8:10 pm.

Respectfully submitted, Tom Schersten
