(Findings of Facts and Conclusions, and Decision)

PERMIT: **#Z13-14**
PROPERTY ADDRESS: **5131 VT Route 66**
PARCEL NO.: **110016**
PARCEL SIZE: **83.7 acres**

PROPERTY OWNER: **Kenneth and Lorraine Heidelmeier**

Randolph Center, VT 05061

I. INTRODUCTION

On March 1, 2013, **Kenneth and Lorraine Heidelmeier** ("Applicant") filed an application for a zoning permit for a project generally described as **2-lot subdivision**. The application was deemed complete pursuant to the Development Review Board ("Board") Rules of Procedure Section 301 on March 6, 2013.

Under the Randolph Land Subdivision Control Regulations and the Zoning Regulations ("Subdivision Regulations" and "Zoning Regulations", respectively, or "Regulations" collectively), projects are reviewed based on the applicable criteria of the Regulations. Before the Administrative Officer ("Administrator") may grant a permit, the Board must find that the project complies with all applicable criteria and approve the subdivision and/or provide any other approval, as required.

Decisions must be stated in the form of Findings of Facts and Conclusions of Law. In rendering this decision, the Board relied on the following:

1. Sworn testimony presented to and evidence received by the Board during the first and final public hearing held on March 26, 2013;
2. Documents contained in this application's file, the Regulations, Town Plan and the Randolph municipal records.

The Board closed the public hearing on March 26, 2013, and rendered an oral decision in this matter. This written decision is required pursuant to 24 VSA ch. 36 §1209 and supersedes the oral decision.

II. DETERMINATIONS BY THE ADMINISTRATOR

The Administrator has made the following determinations:

1. The subject property is in the Rural Use 5-acre (RU5) District.
2. Subdivision approval is required, as the property was first subdivided in 2005 (#Z05-123) and Section 2.2 of the Subdivision Regulations states the following:

"When the owner of the initial lot, tract or parcel of land transfers ownership of a portion of that land to a person or corporation, and that person or corporation further transfers

ownership of any portion of that land, that person or corporation becomes a subdivider and must meet all requirements of this Subdivision Regulation.” (emphasis added).

On March 6, 2013, the Administrator referred the application to the Board for review and approval as determined.

III. PARTICIPANTS

For the purposes of this application, “interested persons” are those who fulfill the requirements of 24 VSA ch. 117 §4465. The Applicant was the only participant.

Participating Board members were Joel Tillberg, John Becker, Trini Brassard, Samuel Lincoln, Thomas Malanchuk, David Miles and Christopher Recchia.

IV. FINDINGS OF FACTS

The following findings are facts that were entered into the record for this application and were relied upon by the Board in formulating its conclusions and decisions. While other evidence may have been or is also entered into the record, if it is not included herein, the Board has determined that it is either not relevant evidence or that it is not a fact.

Project Description

1. The Applicant has filed an application for a 2-lot subdivision as shown on Exh. #1. Lot #1 will be 33.7 acres and has a single-family residence on it. Lot #2 will be ±50 acres and is undeveloped. (application)

Compliance with development standards

2. The property requires approval pursuant to the Randolph Land Subdivision Control Regulations for reasons stated in Section II above. (application and Subdivision Regulations)
3. The property is in the RU5 District. The minimum lot size for the RU5 District is 5 acres. The proposed lot sizes are 33.7 and 50 acres. (Zoning Regulations and application)
4. The minimum lot width in the RU5 District is 300 feet. Each proposed lot will have at least 300 feet of road frontage. (Zoning Regulations and application)
5. The front, side and rear setbacks for the RU5 District are 30 feet. The proposed lot lines will be farther than 30 feet from any existing structure. (Zoning Regulations and application)
6. The maximum allowable building coverage is 15% in the RU5 District. While the proposed subdivision will increase the percentage of building coverage for Lot #1, it still meets this requirement. (Zoning Regulations and application)
7. The proposed project does not involve the creation of any public roads nor public utilities. (application)

V. CONCLUSIONS

Based on the foregoing Findings of Fact, it is the conclusion of the Board that the project described in the application referred to above, if completed and maintained in conformance with all of the terms and conditions of that application and as required below, will meet the

development standards in the RU5 District. The Board also concludes that Section VI of the Subdivision Regulations is not applicable.

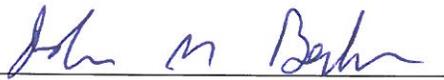

VI. DECISIONS¹

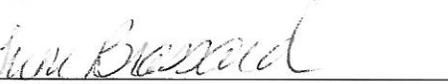

Based upon the foregoing Findings of Facts and Conclusions, approval is hereby granted for the 2-lot subdivision as applied for in zoning permit application #Z13-14. The subdivision approval is granted with the condition that it shall be completed in accordance with the application, plans and exhibits on file and the findings of fact which are incorporated herein.

Dated at Randolph, Vermont this 20th day of March, 2013.
