5. **New Business**

(5A) Discussion and creation of Draft for Randolph's Cannabis Control Commission. (20 minutes)

Sonny provided a draft of the Randolph Cannabis Control. Minor amendments were made.

Miles motioned to approve, Camden second. All members voted in favor.

The revised draft will be forwarded to the Selectboard for review and comments.

(5B) Discussion and creation of Draft for Randolph's Ordinance for Care and Keeping of Chickens in Randolph's Residential District. (20 minutes)

In response to discussion at the June meeting, Camden talked to abutting neighbors. None of the neighbors had complaints about the Randolph Avenue property.

Jeff noted that there are no outstanding complaints with the Sheriff's office or town. There was a complaint about chickens wandering into neighbors' yards on Weston Street a few months ago, but that seems to be resolved.

After a discussion, it was decided that no action is required at this time due to lack of historical issues. The item is tabled for now although farm animals in high density residential zones is a likely topic for future consideration.

6. Other Business

None.

7. Adjournment:

Miles made a motion to adjourn the meeting. Camden 2nd. All members voted in favor. The meeting adjourned at 7:47 pm.

The Planning Commission's next regularly scheduled meeting will be August 2, 2022.

Respectfully submitted:

Jeff Grout

Randolph Planning Commission Secretary
