

TOWN OF RANDOLPH, VERMONT

Office of Town Manager

The Town of Randolph Selectboard will be conducting a site visit on Wednesday, March 8, 2017 at Clay Wight Road (Town Highway #44) at 4:30 p.m. The purpose of the site visit is to consider realigning approximately 200 feet of the road starting at a point approximately 950 feet from the intersection of VT Route 14S. This will include widening the Town's right-of-way through this section such that the northern edge of the right-of-way will be 25 feet from the centerline of the new road as realigned. The southern edge of the right-of-way will remain as it currently exists.

Immediately following the site visit, a Public Hearing on the proposed widening of the right-of-way will take place at the Randolph Town Hall Conference Room B, 7 Summer Street at 6:00 p.m. The Selectboard will take public input at that time. Prior to the hearing, written comments may be mailed to the Town Manager at Town of Randolph, Drawer B, Randolph, VT 05060, or emailed to him at manager@randolphvt.org. Questions about the project may be directed to the Town Manager at 728-5433 x20 or Mardee Sanchez, PE, Town Engineer, at 728-5433 x13 or mardee@randolphvt.org.
