

Randolph Conservation Commission
Minutes of Conservation Commission 4/9
postponed from 4/2

Present: Brendan Barden, Emily Lewis, Bob Raskevitz Jason Aldous, Ken Hafner, Rachel Westbrook

Absent: Susan Poulin, Chandler Engel, Ian Blackmer, Tom Malanchuk

Minutes: approval postponed to next meeting since most in attendance were not members in March

Treasurer update: Monies from logging operation at Sayward have been received, around 19,000 per email from Chandler and Emery Mattheis

Introduction of new commission members.

Review/orientation to properties included in Town Forests and our ongoing work in those areas.

Nomination of officers postponed to May meeting

Sayward update: AJ is meeting with Thatcher Hinman on 4.19 to go over trails and cleanup needed after timber harvest.

Seedling planting for assisted migration will be happening on 5/10 at 9 am. AJ does plan to do a public walk/talk on completion of the logging operations there.

Parking lot- we have a quote from Derek Aldrighetti, need to determine if it needs to go to bid or can proceed with him doing the work since he is on site and we had discussed this in the planning stages. Cost will be higher if he provides material, he may be able to get it from the town.

Ellis- work to complete new water system should be beginning soon, will affect trail access through the summer during the week. Chloe Sardonis will be working there on monitoring invasives and other tree species. She is willing to do some outreach.

Adjourned at 6:55

Respectfully submitted,

Rachel Westbrook
