Feedback - Halloween Event: There was a lot of positive comments about the Safe and Seen Event. Families enjoyed the street being closed off. It felt safe and there was more room to walk from business to business. Many did not realize that Main St was closed off, but by the end of event people figured it out. Businesses were all in favor of the street closure. The Rec. Dept. hopes to see more out of town businesses join us to fill up the center of the street.

Updates- Winter Parade: Winter Parade planning coming along nicely. A volunteer meeting is scheduled for November 29th. The businesses in the area did a great job at sponsoring the event.
