The Town of Randolph, as a service to residents, allows homeowners to purchase a sand permit. The cost of the permit is \$5.00 and can be obtained at the Town Offices. The permit allows the resident to one (1) or two (2) five-gallon buckets of sand per visit. Permit holders shall display the valid permit on the dash of the vehicle used to transport the sand while at the Highway Garages (Village and Center) sand piles. There are no commercial accounts allowed, including owners of multiple properties who derive income from their properties. Multiple permits will not be allowed as this displays commercial businesses.

Sand is available for pick from 7:00 a.m. to 3:00 p.m., Monday through Friday. A separate sand pile will be established for permit holders. Please note that the speed limit within our Highway Department yards is 5 mph for both your safety and that of the Highway personnel.

Sand must be taken from the separate pile provided only. There is no personal equipment such as farm tractors, bucket loaders, or bobcats allowed in the area. Violators of this policy are subject to arrest by State/Village police for petty larceny.

If you have any questions, contact the Town Manager's office at 728-5433.

Gary Champy
Town Manager
