### **8. Adjournment**

Mariah Dekkenga made a motion to adjourn, seconded by Hugh Johnson. Motion carries 3-0 at 10:02 am.

**4. RACDC- Major construction permit for 65 North Main st.- 65 North Main st. (Randolph House) would like to install an addition for more common space. The Randolph Wastewater system has a sewer main that travels over the bank and through the location where the proposed addition will go. RACDC would like to have the contractor relocate the Sewer main to build the addition.**

This would require relocating not only the sewer main but the town's easement that goes with the relocation. RACDC is requesting approval to relocate the Sewer main at 65 North main st. and to grant the town a new easement upon completion.
